

We invite everyone to study at the Preparatory Faculty for Foreign Citizens at Poltava State Agrarian Academy in the following areas:

- *medical-biological* • *engineer-technical* • *economic* • *humanitarian*

Training period: 8-10 months.

Admission to study is allowed throughout the academic year.

The Preparatory Faculty for Foreign Citizens was established in 1980. Over the years, over 3,000 foreign citizens from more than 60 countries around the world have passed the training. Students from Algeria, Angola, Benin, Ecuador, Egypt, India, Jordan, Iran, Cameroon, China, Kuwait, Congo, Morocco, Nigeria, Sudan, Tunisia, Jamaica, and other countries studied there. Experience, traditions, and perspectives are our values.

Here is what awaits you at the Preparatory Faculty for Foreign Citizens at PSAA:

- *You will obtain the knowledge of the Ukrainian or Russian language, and pass courses of the general education cycle required for obtaining higher education in Ukraine;*
- *You will be able to continue your education not only at our academy, but also at any Ukrainian higher educational institution;*

You will also have an opportunity to take part in exciting student activities, such as concerts, festivals, competitions, field trips, and sports tournaments, and get acquainted with the history, culture, and traditions of Poltava and Ukraine in general.

Dear foreign citizens!

Poltava State Agrarian Academy (PSAA) is a higher educational establishment of 4th level of accreditation, a heart of science, education and culture in Poltava region with a long ancient history and pedagogical traditions. Over a century PSAA has been training highly-skilled professionals for all branches of agriculture and economy of our state, creative and intelligent people, scientists well-known in Ukraine and abroad.

PSAA is a multisectoral research and educational complex which includes all elements of grade and postgraduate courses. The academy includes 6 departments, 7 colleges and the centre of pre-enter training. For over 35 years, foreign citizens choose PSAA. Experienced teachers, highly-organized learning process, well-equipped audiences, large library and gymnasium, comfortable hostels within the academy campus – all this attracts foreign citizens from around the world every year.
